Sir:-

Answering yours of the 4th instant, I beg to advise that under the Seed Grain Act of 1915 the Crown was empowered to register those liens as a first charge against title to the lands quoted as security, and under those instruments so registered, the Department holds all the rights and prerogatives of a first mortgagee, including that of foreclosure.

When your Bank acquired title, it did so subject to those encumbrances and those rights and prerogatives were not impaired nor lessened.

If, therefore, you intend to persist in your attitude of non-responsibility, which precludes the possibility of payment, it will leave me no alternative but to recommend the institution of foreclosure proceedings.

MEMORANDUM: Mr. Perrin.

Re S.W.¼ 34-26-11-W.4th Meridian.
Patented homestead - Henry Johnson.
S.E.¼ 34-26-11-W.4th Meridian.
Patented pre-emption - Henry Johnson.

Against this half-section is charged an indebtedness of $385.74 amounting with interest up to the 31st March, 1927, to $583.94. The half-section is now assessed to the Bank of Montreal, Chauvin, Alberta, and since April, 1924, the Department has been in communication with the Bank on the question of re-payment. At first the Bank asked for an extension of time and further time was granted up to the 1st November, 1926.

On the expiry of this extension, a number of communications were addressed to the Bank. At first an effort was made to deny any liability (letters of 12th April and 4th May, 1927), but the Bank was notified by Departmental letter of the 17th May, 1927, that under the Seed Grain Act of 1915 the Crown was empowered to register the liens in question as a first charge against title to the lands and under the instruments so registered, the Department holds the position and rights of a first mortgagee. Foreclosure proceedings were threatened but the Bank replied on the 31st May, 1927, that it would not be necessary for the Department to commence foreclosure proceedings as the Bank would execute either a quit claim deed or a transfer, on being called upon to do so.

Since that time the Department has not been able to secure any further action. From a letter from the Municipality dated the 24th June, 1927, it appears that taxes on the S.E.¼ were then in arrears for a period of three years and non-payment by the Bank would leave the Municipality no alternative but to take title.

On the 2nd instant, the Agent took the matter up again with the Bank but the only reply is to draw attention to the previous offer to execute a quit claim deed or a transfer.

The Agent points out that the Bank appears very indifferent about protecting its interest.

Suggest that this matter be allowed to over until the Municipality has acquired title. Apparently is nothing else the Department can do just now.

Re: Account of Henry Johnson,
S.E. 34-26-11-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $385.74 were advanced to Henry Johnson on the security of the above mentioned land. A payment of $6.00 was received in 1920 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 385.74	$ 716.63	$ 1,102.37

Patent was issued in the name of Henry Johnson for the S.W. 34-26-11-W.4th on the 18th of August, 1914, and for the S.E. 34-26-11-W.4th on the 4th of August, 1920, subject to the 1915 liens.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied under Grazing Lease as issued by this Department, and in view of its being situated in that part of the Province designated "Special Areas" there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

Sir,

Referring to your letters of the 26th June, 2nd August, 1910, and your letter of the 17th inst., I am to express regret that you have not been advised fully in reference to the application of Mr. William A. Johnson to homestead and pre-empt the South half of Section 8, Township 7, Range 10, West 4th Meridian.

According to the records here this half section was disposed of on the 11th January, 1910, under South African Volunteer Certificate.

On the 30th May last Mr. W. A. Johnson was advised at Grand Forks, that he received ticket No.880, on the 10th January, 1910, when making application for the half section and the land was disposed of to the holder of ticket No.167, who was entitled to priority.

Encl. The letter of the Agent of Dominion Lands of the 18th January, 1910, to Mr. Johnson is returned herewith as requested.

Your obedient servant,

Assistant Secretary.

H. J. Johnson, Esq.,
Box 156, Grand Forks,
N. Dakota, U.S.A.

MEMORANDUM submitted to the Honorable, the Minister of Interior, relating to the North half of Section Four, Township Seven, Range Ten, West of fourth Meridian, applied for by H. J. Johnson of Grand Forks, N. Dakota, and relating to the South half of Section Nine, Township Seven, Range Ten, West of Fourth Meridian, applied for By W. A. Johnson, Gilbey North Dakota.

---

1. On January 10th 1910, the above and other lands were declared open for Homestead and preemption entries in Lethbridge District.

2. On the said date, the Claimants made application before the sub agent of Dominion Lands at Medicine Hat, a sub agency of Lethbridge District.

3. The said Application was made at 9.45 A. M., and the fees paid in accordance with the Dominion Lands Act.

4. At the request and expense of the Applicants, the sub Agent advised the Local Agent at Lethbridge by telegram of the receipt of their Applications, which advice reached the local office at Lethbridge in due course.

5. Instead of said advices being registered in The Journal and given the numbers to which they were entitled at the time of receipt as required by said Act, they were negligently and improperly laid aside by said local agent until the entire line consisting of about 800 people were registered and given numbers, which numbers were permitted to make application and entry ahead of the applications of the said applicants.

6. Upon being advised by sub agent that these applications would not be considered until the entire line at Lethbridge had been dealt with, the following telegram was sent by them.

Jan. 10th, 1910.

Jas. Stafford,

Dominion Lands Agent,

Lethbridge, Alberta.

Will land entered for at sub agency, be held for Applicant reasonable time for filing papers to reach Local Office. Answer.

(sgd) W. J. Johnson.

In reply, the Agent wired as follows:

H. J. Johnson,

Medicine, Hat,

Sub Agents Application dealt with in their order after line of Applications waiting, See regulations bottom page 26

(sgd) J. W. Stafford.

7. Upon the same day, Johnson wired, the Hon. Frank Oliver, Minister Interior, Ottawa, as follows:

"Dominion Lands Agent at Lethbridge refuses to hold lands entered for at sub agency according to Section 11, Cap 20 Dominion Lands Act. Amended Apl. 7th 1909. Can my Entry be protected".

(Sgd) H. J. Johnson.

In reply a telegram was received January 11th from J. W. Greenway, as follows:

H. J. Johnson,

Medicine, Hat,

Alberta.

"Agent apparently treated your application under Clause "4" page 26, regulations governing rush entries. Am communicating with him.

(Sgd.) J. W. Greenway.

8. On January 18th 1910, agent at Lethbridge returned to said applicants, their filing fees, stating that the land was entered for by prior applicants. The so called prior applicants did not make application for the lands in question until the 11th day of January 1910, and 13th day of January 1910, respectfully.

9. On the 20th day of January 1910, the applicants wrote the Minister of the Interior from Lethbridge setting forth the facts in the case and appealing to him for protection of their rights under the statute.

After Considerable correspondence, the Department of the Interior by letter dated June 6th 1910 to H. J. Johnson decided that as the

Agent acted in accordance with the practice that obtained at all other land agencies under similar circumstances it would be impossible to set aside the entries granted for the lands applied for by himself and companions.

10. It is contended on behalf of the applicants, that the decision of the Department refusing the applicants demand for the lands in question, based as it is upon the practice of the Land Agents, and not upon the Dominion Lands Act and the regulations issued thereunder was and is erroneous and contrary to the provisions of the said Act.

11. The interpretation put upon Section 11 of Cap 20, Dominion Lands Act and Clause "H" of the Regulations by the Local Agent, and confirmed by the Department, namely that applications made to and received by sub agents, no matter at what hour and minute of time, cannot be received and acted upon by the Local Agent until the whole line of applicants is exhausted is, it is submitted an improper interpretation of said Act and illegal.

12. The applicants contend that under the Statute and regulations, any application received by a sub-agent and communicated to the Local Agent must be dealt with in proper order as if the applicants were present in person at the Agency.

That is to say, had the Johnson's names been registered in the Journal immediately upon the Receipt of the advice from the Sub Agent and been given the Numbers to which they were entitled by virtue of the time of the receipt, they would have received numbers numerically less that the numbers held by the parties to whom Certificate of Entry was granted, but they would have received the land their applications called for.

By virtue of the foregoing, the applicants submit that their applications were improperly and illegally dealt with and they were wrongfully deprived of the land to which they were justly entitled to, and request the Honorable, the Minister of Interior to take steps to cancel the entries for the said lands, as having been granted in error and by mistake, and direct that the said lands be vested in the Applicants pursuant to the provisions of the Dominion Lands Act.

DATED at Ottawa, this 7th day of November 1911.

O N T A R I O

COUNTY OF CARLETON

TO WIT

I, HENRY J. BOWMAN, of the City of Grand Forks, in the County of Grand Forks, in the State of North Dakota, one of the United States of America, DO SOLEMNLY DECLARE THAT on or about the 8th day of January 1910, I was in the City of Lethbridge, in the Province of Alberta, in the Dominion of Canada, and applied at the Dominion Land Office there for information regarding the making of Applications for Government Lands.

2. I met there, one, Mr. Rose, employed in the said Office, who stated that Applications could be made before a sub agent of that District, and that if I went to a sub agency, and made an Application for said land, and required the sub agent to advise the Local Agent at Lethbridge by Telegram, of the receipt of my Application that my Application would be registered in the Application Journal kept for that purpose, and would be given the next number that was open, when the Telegram from the sub agent was received.

3. The said Rose, gave me as an example, that if upon receipt of the Telegram, 300 people had registered, and had been given numbers, that my name would be registered, and my number would be 301, and I would be treated just the same as if I had been present in person at Lethbridge, and that unless some person holding a number lower than 301 had made application for the same land, as I had, that my Application would be accepted and Certificate of Entry, granted to me.

4. THAT the facts set forth in the memorandum hereto annexed, are true in substance and in fact.

DECLARED before me at the City of Ottawa, in the County of Carleton, this 11th day of November, A. D. 1911.

The above party obtained the following Joint Relief Advance with security a lien on the title to the above land.

Joint 9-7-10-4.
Adv. 17/20 196.75
Inv. Co. 21/48 374.74
$571.49

The debtor has disposed of the land given as security and has approached this Branch for a compromise settlement of the account set out above. In support of his request he states that he is 75 years of age and in very poor health. Apparently he is taking periodic treatments which run into a considerable expenditure.

There is a mortgage on the title to the above property registered prior to the lien which the debtor must make arrangements for. He believes that he can obtain a release of this mortgage for the sum of three hundred dollars ($300.00). The question was taken up with the Secretary-Treasurer of the Municipal District who verified Mr. Jarmel's statement and advised that the land had been sold for three thousand dollars ($3000.00). Out of the proceeds of the sale four hundred and thirty-eight dollars and four cents ($438.04) will be required to satisfy the taxes and after making arrangements for the mortgage and the lien, the balance will be all this individual, who is 75 years of age, will have to maintain himself and his wife who is also in poor health for the balance of their lives.

The debtor has tendered the sum of one hundred and fifty dollars ($150.00) and in order to permit these people to obtain sufficient to prevent them from becoming public charges, I would recommend that the offer be accepted, the balance of the account being written off

Dear Sir:

Re: S.W. 19-7-10-W.4th.

We have your letter of the 8th of November, 1950, in which you stated that the S.W. 9-7-10-W.4th was quoted instead of the S.W. 19-7-10-W.4th in your previous letter. In forwarding our statement to you we included the S.W. 9-7-10-W.4th as one of the lands our liens were charged against. We did this because we assumed that J. Narveson had acquired the S.W. 9-7-10-W.4th as well as the other land you mentioned and our 1915 liens would of course in that case be a correct charge against this land.

We would ask you to delete this quarter section from the statement that we submitted. On checking the file for the S.W. 19-7-10-W.4th we find that there is an account charged against this land in the name of L.M. Peterson. A copy of this statement is enclosed for your information.

All three parcels of land are now under the administration of the Department of Lands and Mines and leased for grazing purposes at a nominal rental to one of the settlers remaining in the district, the land being fit for nothing but pasture.

It is highly improbable that sufficient revenue will be derived from these properties to permit of payment of the arrears, I would, therefore, recommend that the liens be released and the accounts written off in their entirety. Provincial land tax has already been cancelled under the provisions of Chapter 20, Statutes of Alberta 1939, in an amount of $ 781.70.

Sir,

Referring to your statutory declaration, dated 18th November last, filed in defence of the cancellation proceedings pending against your South African Scrip Location the N.½ of 13--1--17--W. 4th Meridian, in which you set out that you had been in continuous residence upon this land from the 3rd February, 1911, until the 14th August last, and that you had made improvements thereon consisting of a house, stable and twelve acres of breaking, I beg to inform you that the applicant for inspection has now written a letter in which he claims that you have not lived upon this land since the 3rd February, 1911. He also states that he has witnesses to prove his statement.

Under these circumstances, it has been decided to instruct a Homestead Inspector to place this half-section on his list for inspection when next in the vicinity and I beg to warn you that should his report on receipt show you to be in default in the performance of the requisite settlement duties your entry will probably be cancelled without further notice and the land otherwise disposed of.

D.J. Pr[illegible], Sel.,

[illegible] clear title issued in the Department's name on the 14th May, 1926, the Lien security having been eliminated by Testimony Order.

Seed Grain Liens for $[illegible] and $[illegible] and a Relief Lien in the amount of $[illegible] were registered on Title to the S.E.-1-1-17-4, subsequent to the prior Liens mentioned by the Joseph Andrew Josler. Title to this land still appears in the name of D.J. Richardson, the debtor, but mortgage foreclosure is anticipated.

Mr. Richardson was compelled to abandon these lands some years ago, and through assistance obtained from his father and an Uncle, he moved to the Castor District where he has been working land on Crop Share basis, the land being owned by his Uncle. He informs me that the Live Stock, now in his possession and on the land, is the property of his father. His experiences in farming in the Castor District have been little better than while in the Milk River District, and he has been hard pressed to obtain a living for himself and family. He states that the only assets in his possession consist of a small line of farm machinery, which is very badly worn. He further states that he owes his Uncle approximately $700.00, his father approximately $[illegible]00.00, and while these obligations are within the family and he has not been pressed for repayment, they are naturally looking forward to recovery, in part, at least. He informs me, however, that both of these creditors would be willing to give him a clearance for a nominal sum, should conditions permit of his offering the same. He states that he is very much worried in regard to his financial indebtedness and that he has been enabled to offer the sum of $100.00 as in full settlement of this claim. In order to do this he has been required to borrow the money.

Having in view this man's past experience in the Milk River District and the fact that he has been able to do no better in the Castor District, I am of the opinion that the acceptance of the sum tendered as consideration for the release of this debtor's personal covenant, would be in the line of good business, and I recommend that it be so accepted. Check for $100.00 is attached hereto.

It is further recommended that the $100.00 payment be apportioned in a pro rata basis to the credit of the Seed Grain and Relief accounts, which will result in an apportionment as follows:

Seed Grain.	$ 29.00	
Relief	71.00	$100.00

It is further recommended that the sums apportioned shall be applied on account of Principal outstanding and upon their application it will remain the following balance:-

R.J. Dream, Esq.,

STEP [illegible].		Int. to Aug. 1st, 1[illegible].	
Principal	395.34	Interest	[illegible]
Payment	39.00		
	[illegible]	18.63	477.97
RELIEF.		Int. to Aug. 1st, 1[illegible].	
Principal	711.90	473.53	
Payment	71.00		
	[illegible]	[illegible]	1111.43

While it is anticipated that the holder of a prior mortgage on L. -1-1[illegible] will foreclose the mortgage and thus eliminate the lien security on this item, Title still appears in R.J. Williamson's name. I would recommend, therefore, that if and when foreclosure of the mortgage is completed and the lien security eliminated, the unpaid balance of this item be written off as uncollectible.

Yours truly,

W Lowe

That the affairs of the debtor have been carefully investigated by the Director, Soldier Aid Act, and it is apparent that it is not possible for him to pay more than the amount now tendered in settlement of the said liens, and it is desirable that the proposed settlement be accepted on compassionate grounds, so as to give the debtor an opportunity to re-establish himself in the new district.

The Board therefore recommends that the sum of $[illegible], be accepted in full settlement of the personal covenant of the debtor W. J. Richardson. That the amount so paid be apportioned:-

and that upon payment of one-half the amount apportioned to Joint Relief under the terms of the Agreement now in effect, the debtor be released from any further liability under the personal covenant, and that the balance remaining unpaid on account of said liens be written off as uncollectible.

The Board also recommends that all liens charged against the S. W. [illegible]-Sec. [illegible]-Twp., be discharged, and the total amount [illegible] be written off as uncollectible, in so far as said land is concerned.

The Board further recommends that, in the first [illegible] satisfactory evidence be given that the [illegible] of the S. W. [illegible]-Sec. The Tax Consolidation Board, hereby recommends that the sum of $[illegible], be accepted in full settlement of the personal covenant of R. J. Richardson, for arrears now due on the security of the N. ½, 9-1-17-W. 4th Mer., and the S. ½, 13-1-17-W. 4th Mer., and that the said covenant against the said lands be discharged on the following:-

1. That all liens against the N. ½, 9-1-17-W. 4th Mer., be unconditionally discharged.

2. That the liens be retained as a charge against the N. ½, 13-1-17-W. 4th Mer., until the first Mortgagee, who has priority to the liens completes foreclosure proceedings and is the registered owner of said land; and that when proof to this effect is submitted that the liens be discharged.

The Board submits in support of this recommendation:-

1. That prior to the advances being made the letter mortgaged the N. ½, 9-1-17-W. 4th Mer., to Louis and Clar E. Fetters.

2. That the Mortgagees foreclosed upon their security, and became registered owners of this half section, and that by such foreclosure all liens were eliminated therefrom.

3. That prior to the advances being made the letter mortgaged the S. ½, 13-1-17-W. 4th Mer., to Joseph Antone Jeanes.

4. That title to this land is still registered in the name of the latter but it is reported that the first Mortgagee intends to take foreclosure proceedings and that in the event of this being done all liens will be eliminated from the land.

6. INTERIOR LAND OFFICE CANADA APR 6 REGISTRATION BRANCH

Dear Sir:

Re. W. P. H-17-18 W. 5th.

On March 12th last, we wrote you in this matter on behalf of Mr. Hugh McPhee, in reply to your telegram of the 10th ult. Mr. McPhee has been waiting fully for a reply, but has not yet received any word from your Department. Apart from the fact that he has a receipt for an entry for the above land issued over eighteen months ago, and your telegram of the 10th ult., saying that the land had not been entered for at all, it seems surprising that we cannot get an answer to our letters, although the matter is a most urgent one with Mr. McPhee.

If we cannot get an answer from your Department, we must either take the matter up with the Minister personally, or take proceedings against the Department, to get title to this land.

I am directed to acknowledge the receipt of your letters of the 12th ult'imo and 1st instant, asking that a patent be issued to Mr. Hugh McPhee for the N.E.¼ of section 36 township 53, range 16, west 5th meridian, which land it is stated was entered for on the 25th November, 1908, and to say that, as Mr. McPhee was informed by my telegram of the 14th ult'imo, no entry has been reported to this Department for this quarter section.

In this connection I am to state that Messrs. McDougall & Secord by Departmental letter of the 17th July, 1907 were advised that the assignment in their favour from Miss Ethel Amelia Taylor of the N.W.¼ of section 14, township 36, range 16, west 2nd meridian, (not the S.W.¼ of the said section as stated in your letter of the 12th ult'imo), upon which she had located her Half-breed scrip, at which was not available for the purpose, had been registered, and that upon advising the Department of their selection of another quarter section of land in lieu of the land last mentioned, the local Agent of Dominion Lands would be instructed, provided the land so selected was found to be available, to report it in their name in his next weekly return. Up to the present time no advice has been received from Messrs. McDougall & Secord of their selection, and

Sir,

With further reference to your letter of the 19th May last, and to my reply thereto of the 24th ultimo, I am directed to state that it has been found, upon further examination of the transfer from Messrs. Such assignment is, therefore, returned to you, herewith enclosed, in order that it may be properly corrected.

Re: W½ & NE¼ 26-6-13 W.4th M.

On referring to the representations made by the Estates Manager of The Trusts and Guarantee Company, Limited, Calgary, bearing dates the 20th May last and the 25th ultimo the latter being accompanied by a sworn declaration and a letter dated the 23rd ultimo from the Registrar it appears therefrom that the liens for $130.80, $32.00, $11.60, $142.40 and $32.00 will become registered against titles to the lands above described should transfers be registered in the name of one Nels Theodore Anderson.

In this connection I am to advise that the records indicate that in 1915 the Department advanced to one Nels Anderson Seed Grain, Fodder and Relief for the above mentioned amounts on the security of the S½ 34-17-9 W.4th M. and from evidence it appears that the existing registrations should not affect the W½ & NE¼ 26-6-13 W.4th M. which I presume would become registered against those lands, should transfers to Nels Theodore Anderson be effected, through similarity in names.

The matter is therefore referred to you for further action.

Sir,

Re W.½ & N.E. 26-6-13-W. 4th M.

I beg to inform you that representations have been made to this Department by the Estates Manager, The Trusts & Guarantee Company, Ltd., Calgary, in regard to liens for $130.80, $32.00, $11.60, $142.40 and $32.00, respectively, which it is alleged ill become registered against the title to the above described land if as and when title thereto is being transmitted into the name of the Nels T. Anderson estate upon transmission being effected, and to say the records here show that these liens were given by one Nels Anderson on the security of the S.½ 34-17-9-W. 4th M., and that he is not one and the same person as the Nels Theodore Anderson whose estate appears interested in the first above described land.

You are, therefore, hereby authorized and requested in so far as it is possible and not incompatible with the provisions of your Act and regulations to see that the liens in question for $130.80, $32.00, $11.60, $142.40 and $32.00, respectively, do not encumber the title to the W.½ and the N.E.¼ 26-6-13-W. 4th M., if as and when such title is being transmitted into the name of the Nels T. Anderson estate.

To the Minister
Department of Interior

Dear Sir:- I cancelled the SE 1/4
of 13-21-9-W4th in the latter part
of July 1916 and have not got it yet.
After the sixty days were up in
September I received a letter from
the Agent of Dominion Lands at Medicine
Hat with a copy of a letter sent to
them by the ~~purchaser~~ of the above
mentioned land which I had
fifteen days to dispute. I did so
immediately stating that instead
of having a crop in last year as he
stated, there was nothing but a
crop of weeds which the Weed Inspector
had cut down. Part of the time he
stated he put in living duties last
year he ran a pool room in Jenner.
He also stated he had 30 acres broke
and had only 27 acres broke. And
nothing more has been done to
the land so far.

he has had this claim for five years & his living duties that he does not put him at his parents home which requires 65 acres broke he has only the 27 acres broke and no improvements with the exception of a shack.

he has been working in another mine for the past year and evidently not coming back to the claim so he has not come back yet and has instructed a friend to send his belongings to him.

I am now working for one of the best farmers around Denver and six miles from the claim and wish to file on the claim as soon as possible so that I may get my time in this year according to the new law. And I would also like to have it in time to get summer fallowing and other necessary work done on it in preparation for cropping.

I do not see why I cannot file on this claim and hoping you may be able to let me know soon whether I can or cannot file on it and why I am

N.E.¼ of 13--21--9, W.4th.M.
Homestead-A. Childers.
Date of entry-3rd July, 1912.

Cancellation proceedings on behalf of Lloyd R. Varney were taken on the 28th of July, 1916, and are still outstanding. Kindly see the Deputy Minister's memorandum of the 23rd April last (marked) asking to have the case referred to his office with a recommendation on receipt of the Homestead Inspector's report, which had already been called for.

On Form 55 below is shown what the entrant claimed in his defence in the way of settlement duties. It appears from his statements that he had completed all his duties, but the applicant for inspection who was asked to explain on what grounds he made his application, protested that the duties had not been performed as claimed.

It was decided to have a Homestead Inspector investigate and on the 9th ultimo he reported that the entrant was not in residence; that his present address was unknown, and that his improvements consisted of a house worth $200. The Inspector stated he could not obtain any evidence as to the amount of residence performed. He reported that there had been 25 acres broken but gone back to grass.

The applicant for inspection (Varney), has been writing frequently pressing his claim. He wants to secure entry for the land without delay, in order that he may obtain the benefits of the Order-in-Council of the 20th February last regarding farm labour.

The Inspector's report is not satisfactory. It does not prove or disprove the claim made by the entrant in his defence as to the performance of duties, and I think he should be

Sir:-

I beg to acknowledge the receipt of your letter of the 6th instant with enclosure, file 9872, regarding the North East quarter of Section 13, Township 21, Range 9, West of the 4th Meridian, the homestead of A. Childers.

In reply I beg to say the Inspector's report is not satisfactory. In his defence Mr. Childers claimed to have completed all his duties, but the applicant for inspection protested that such is not the case. The Inspector's report does not prove or disprove the claim made by Mr. Childers as to the performance of duties and is of no assistance to the Department in arriving at a decision.

I am to ask you to instruct the Homestead Inspector to go into the matter again immediately and make full enquiry in the neighbourhood and from those who may be conversant with the facts, with a view to ascertaining what Mr. Childers has done on the land each year in the way of settlement duties.

Kindly have the Inspector attend to this matter at once and forward his report as soon as you receive it.

The homesteader has now furnished a declaration claiming the same residence as set forth in the application for patent, and states as follows:-

> "Regarding statement of Homestead Inspector on the date mentioned, viz., 18th July, 1917, I was then working for Mr. Wm. Noreen on his homestead which is about 2 miles from my homestead. And the statement given to the Homestead Inspector was not correct. I have not given any such statement to any one".

Agency File No. 109872.

I am in receipt of your letter of the 11th ultimo, enclosing a Homestead Inspector's report in connection with the above land and the statutory declarations executed by Messrs. Thomas Dumais and William Noren.

According to the Inspector's report it would appear that Mr. A.C. Childers the entrant for the above land performed his residence duties on section 5, township 21, range 9, west of the 4th meridian with his step-father but it would appear from the evidence furnished by Messrs. Dumais and Noren that Mr. Childers resided on his homestead whereas according to Mr. Childers' application for patent he resided on the south east quarter of section 3, township 21, range 9, west of the 4th meridian.

Kindly secure a supplementary report from Inspector Mayberry setting out whether he made a mistake in describing the land on which residence duties were performed.

I am enclosing herewith Mr. Childers' application for patent in order that you may have the same completed by having endorsed thereon proof of ownership of the land which the residence duties were performed. It also would appear necessary to obtain a statutory declaration from the applicant's step-father setting out what residence he performed on his land during the periods ~~during~~ which the applicant claims to have resided with him.

Ottawa, 14th February, 1914.

Sir:

I am to inform you that the Agent of Dominion Lands at Lethbridge, Alberta, has returned your application for patent for the North-East quarter of Section 13, Township 21, Range 9, west of the 4th Meridian, which you made on the 23rd January, 1913, and it is noted that you claimed the following residence: from the 1st June, 1912, to the 30th June, 1913; from the 1st August, 1913, to the 31st August, 1913; and from the 1st November, 1913, to the 31st March, 1914.

In a Statutory Declaration executed by Mr. C.F. Shafer, your step-father, he gives you credit for the following residence on the East half of Section 3, Township 21, Range 9: from October, 1911, to April, 1912, and from October, 1912, to April, 1913. Furthermore, there is evidence on file which is contradictory to that furnished by you that you lived on your homestead from the 1st November, 1913, to the 31st January, 1916.

It is, therefore, doubtful whether you can be credited with the requisite residence duties in each of these years from the information furnished.

It will, therefore, be necessary for you to appear with your two witnesses before the above mentioned Official or the Sub-Agent for the District for the purpose of executing a supplementary statement, showing the exact periods of residence performed by you since date of entry either on your homestead or with your step-father. You will understand that definite information is required on this point.

Furthermore, you will be required to furnish proof of Ownership of the South-East quarter of Section 3, Township 21, Range 9, West of the 4th Meridian.

You will be allowed until the 1st April next within which to execute the required supplementary statement.

Assistant Secretary.

Dear Sir:

Re: N.E. 13-21-9-W4

This Department has an old account against the above noted land for advances of seed grain and fodder to Abel Childers in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

This parcel is unalienated crown land covered at present by a long term grazing lease issued by this department. Re: Account of Abel Childers
N.E. 13-21-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $36.80 were advanced to Abel Childers on the security of the above mentioned land. A payment of $15.75 was received in 1916 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 22.90	$ 41.30	$ 64.20

The N.E. 13-21-9-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 5th of August 1924, and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 7th of February 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by a long term grazing lease issued by this department. This parcel is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the balance of the indebtedness be cancelled.

Dear Sir:

Re: Estate of Harry Medford Cameron
Your file No. 619149 T and G,
Department of the Interior

The Public Trustee is administering the estate of Harry Medford Cameron while he is a patient at the Provincial Mental Hospital and we are endeavoring to obtain on his behalf the Old Age Pension. For the purpose of establishing his age we would like to ascertain if your records indicate his age. Mr. E.J. Shaver, Acting Director of Lands of the Department of Lands and Forests suggested that I write to you since Mr. Cameron at one time applied for homestead on the S.W.13-33-20 W.4th although his homestead was sold some years ago. If you are in a position to assist us in this matter it will be very much appreciated.

Yours truly,

In the Matter of the South East Quarter of Section 20
Township 60 Range 2 West of the 5th Meridian

I, Jane Madison
of Fawcett in the Province of Alberta
do solemnly declare:

That I made entry for the above mentioned land at the Dominion Land Office at Edmonton
the Second Eighth day of March 1905

That the land is pretty much all covered with brush and will cost considerable more money than I have to put under cultivation and I have not got the money to do so and make a living, besides.

I have never entered into the occupation of the land and never made any improvements on the same.

None at all.

I do not intend to enter other land at present but may later on if I succeed in getting the financial requirements to improve it.

That I have not received directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled

Copy for A. D. L. Grande Prairie. Refs. 727 and 1033.

Sir,

Re North ½ of 25-72-8 W.6th Mer.

With reference to the application of the Canadian Northern Railway Company to purchase the above mentioned hald section for townsite purposes, I am directed to say that the evidence on file in the Department is not sufficient to warrant the sale of so much land at this point, and the Department would be pleased to hear which quarter section the Company wishes to secure.

Your obedient servant,

Secretary.

Harvey Fitzsimons, Esq.,
Manager,
Messrs. Davidson & Maine,
Toronto,
Ontario.

In a letter of the 24th April Mr. Harvey Fitzsimmons asked that the matter be hurried up as Mr..Smith had been waiting for the balance of the purchase price of the him from the Company for about a year.

On the 24th July, 1913, the following telegram was received from Mr. Geo. M. Smith , President Conservative Association:-

"Why delay of approval of abandonment north-east ¼ section 25, township 72, range 8, west of the 6th M. in favour of C.N.R. by F.B.Smith which was submitted February 1912. Please reply at once."

The delay that has occurred in dealing with the abandonment is owing to the fact that the Company has put in an application for the whole half-section, i.e. N.½, while the Department is apparently only willing that the company should acquire one quarter-section unless good cause is shown to the contrary.

I quote hereunder a letter recently received from Mr. Smith:-

"In reply to your letter of Nov.24th to Geo. M. Smith of the Conservative Assn. here, re abandonment of N.E.¼ of 25-72-8, W. 6th M. I understand the railway has paid the money for the N.W.¼ whether the abandonment has been approved of or not. I think there must be a mistake somewhere, so please return the papers and have the abandonment cancelled as I am desirous of applying for my patent. I have my residence and duties completed on N.½ of 25-72-8, W. 6th M. Awaiting your favourable reply, I remain yours truly, F. B. Smith."

The company has also obtained an abandonment from one James MacFarlane of his S. A. V. Scrip entry for the N.W.¼ of the section in question.

The point to be decided is whether, in view of the fact that the company has paid the Department $480. for the N.E.¼ of 25, Mr. Smith is to be now allowed to withdraw his abandonment.

N.½ of 25--72--8, W. 6th M.
A. V. Scrip entry, F. B. Smith
Entry granted 17th September, 1910.

The Deputy Minister has asked for a statement regarding Mr. Smith's wish to withdraw his abandonment of this land executed in favour of the Canadian Northern Railway Co. The facts are as follows:-

On the 21st August, 1912, Davidson & McRae, Agents for the C.N.R.Co. stated that they had obtained an abandonment from Mr. Smith of the N.½ of 25--72--8, W. 6th M. in favour of the Railway Company for townsite purposes.

On the 28th of the same month Messrs. Davidson & McRae forwarded the Department a cheque for $480. No abandonment, however, had up to this date been received from Mr. Smith.

The Agent was asked for a report and in a letter dated the 4th January, 1913, he replied that he had forwarded the abandonment referred to to the Department on the 24th September, 1912.

Messrs. Davidson & McRae were notified that the abandonment had gone astray and they subsequently forwarded another abandonment executed by Smith with respect to the N.E.¼ of 25, in which the following paragraph occurs:-

"That I have sold the above described land to the Canadian Northern Railway Company for railway and townsite purposes, subject to the approval of the Honourable Minister of the Interior, and I hereby request the Department of the Interior to issue patent for said land direct to the said Railway Company."

MEMORANDUM.

Mr. Obrien,-

Re N.½ 25-72-6 S.6th M.

With reference to your memorandum of the 26th ultimo hereunder, I beg to report that the Canadian Northern Railway Company has now furnished this Department with information relative to the establishment of a townsite on this half-section. The Company states in part that, "The only place where sidings may be established extends into both quarter-sections. The grades on either side being absolutely impossible at which to establish a townsite. It would be impossible to start a train up grade on either side of the particular grade referred to, likewise it would not be possible to hold cars on those grades on either side."

The Company further states that as it was impossible to get the entrants to abandon only eighty acres each, it was therefore necessary to procure abandonments for the whole of the north half of section 25.

A blue print of the right of way crossing this land, and also one showing the profile of the grade referred to are attached hereunder.

Sir,

Re North ½ of 25-72-8 W.5th M.

I am directed to say that the Canadian Northern Railway Company has applied to purchase the above mentioned half section for townsite purposes, and that it is contrary to the practice of the Department to sell more than one quarter section to a railway company for such purposes, except in special cases.

In this case, the said Company claims that the only place where sidings may be established extends into both quarter sections, the grades on either side being absolutely impossible at which to locate a townsite. The Company also claims that it would be impossible to start a train up grade on either side of the particular grade referred to, likewise, it would not be possible to hold cars on these grades on either side. Will you kindly furnish the Department with any information you might have regarding the grades on the Company's line through the above described half section.

Dear Sir: Re South American Scrip, No. 6850? Strathcona Horse, J. W. Fuller, File 207435.

I am acting for the parties who held this Scrip at one time and transferred it to some people who claim to have made an application to file it upon some north west land.

This transferree claims that the Scrip was "turned down" by the Department but does not say why nor does it further explain what they mean by the expression. I have advised my clients that the Department would not in any event absolutely refuse the application if the assignments, etc., or powers of attorney were defedtive in some trifling particular which could have been remedied but would have held the application in abeyance until a reasonably time was given for the correction of the mistake and have advised that the defect was in fact corrected very promptly in this instance.

I would appreciate it if you would let me know what took place in respect of this application. Thanking you in anticipation.

Sir:

It is with deepest regret that I inform you of a matter which I am certain will be of interest to your organization.

On Monday, the twenty-third of September, Joseph A. Fuller, who was a member of Lord Strathcona's Horse during the Boer War, passed away. We have reason to believe that he was, until his death, the only remaining survivor of the two hundred survivors who returned from East Africa alive.

If it is possible for you to obtain such information, his widow would be glad to know if he still owns a tract of land in Canada, which he has sometimes referred to as being a Government Grant for Boer War services.

Thanking you on behalf of Mrs. Fuller for your kind attention to this matter, I am,

Patented South African Volunteer Scrip.

Melvine M. McGhee, Sundial Valley, Alberta.

I beg to acknowledge receipt of your letter of the 17th instant and in reply may say that Mr. McGhee secured the S.W.¼-24--29--25-W.4th Meridian as an ordinary free homestead and patent was granted therefor in May, 1909.

He took up the S.E.¼-25-29-2-W.4th Meridian as a pre-emption but he located Half-breed Scrip thereon and he was granted a patent therefor in May, 1910.

He located South African Scrip on the N.½ and S.½-14--30--3-W.4th Meridian and was granted patents therefor in the years 1913 and 1914.

In so far as the location of his patented holdings above described are concerned there would appear to be no reason why he should not apply for the privilege of taking up a second homestead under the terms of the amendment made to the Dominion Lands Act in 1913. Before his case can be dealt with by this Department, however, it will be necessary for him to secure a Certificate of Approval from the Provincial Government. Whether he is entitled to such a Certificate rests entirely with the Provincial Authorities.

If he is successful in securing a Certificate of Approval he will then be at liberty to select one vacant and available quarter-section of Dominion Lands outside the "Dry Area" and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for him. He will then require
